Stainless-steel One-ear clip

**AISI-304 Stainless steel (A2)**

One-ear Clip - A10R INOX W4

Information	Ø Application		Reference W4	A	B	C	D	E	Box Quantity	Packing	Colour
	min.	max.									
The use of One-ear clips is an economical solution for many simple hose assemblies, used with air or other fluids. Due to the AISI-304 steel used in the manufacture of these clips, their corrosion resistance is outstanding. They are recommended especially in outdoor applications. Like all ear clips, once mounted they are tamper-proof.	7	9	23012440	9,3	5,5	6,0	13,0	0,8	1000	16000	INOX
