

W2**Open worm-drive clip****Open Light series****Open worm-drive clip W2****Information**

The reduced dimensions of the housing of this clip make it the ideal choice for applications where space is limited. It is especially recommended for clamping small bore thin-walled hoses.

Ø Application mm	Reference W2	a	b	c	d	Max. values Torque Nm	Max. values Pressure (Bars)	Box Quantity	Packing
7-11	03016401	7,5	0,4	7	5	1,5	35	100	1600
11-19	03016410	7,5	0,4	7	5	1,5	35	100	1600

* The maximum pressure may vary depending on the type of hose and coupling used.

W2 Materials**Screw and housing:**

Qst 34-3 Mild Steel (DIN 1.0213)
Grey-white Cr3 zinc-plated

Band:

Stainless steel X8CR 17 (DIN 1.4016) (AISI-430)
